# With Innovative Strength Towards 24/7 Renewable Energy Supply

June 14, 2023

## OUR VISION

---

# Renewable, Decentralized and Digital: The New Energy World Around the Clock

“Creating a new energy world” – this is the goal of The smarter E Europe, Europe's largest platform for the energy industry. The focus is on renewable energies, decentralization and digitalization of the energy industry as well as cross-sector solutions.

The smarter E Europe brings together the four exhibitions Intersolar Europe, ees Europe, Power2Drive Europe and EM-Power Europe.

THE SMARTER E EUROPE

## Europe's Largest Platform for the Energy Industry

**Exhibition space**

180,000 sqm

**Visitors (expected)**

85,000 +

## The smarter E Europe Exhibition Site Plan 2023

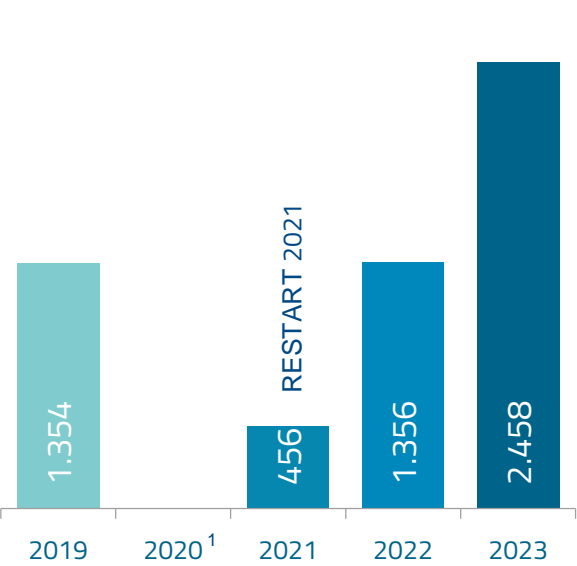

The smarter E Europe offers enough space for exchange in 17 halls and a comprehensive outdoor area. Here, visitors can find out about innovative products, solutions and business models for a renewable energy supply around the clock and gain insights into the latest market developments and trends.

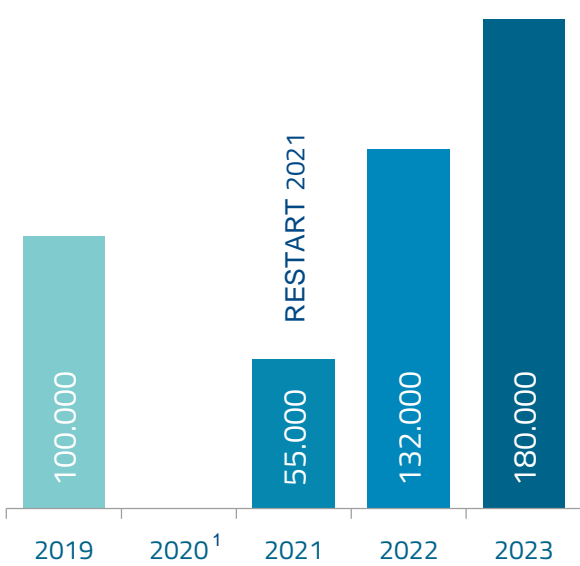

GROWTH

The smarter E Europe  
Means Growth

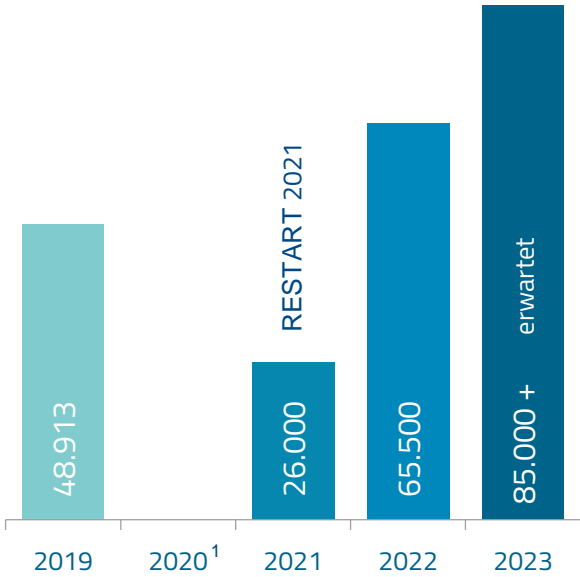

The smarter E Europe reflects the growth of the industry.  
In 2023, Europe's largest energy industry platform sets  
new records.

Exhibitor Numbers 2019–2023

# Know-How Quartet: One Ticket, Four Conferences

At The smarter E Europe, participants can attend four conferences at once with just one ticket and learn about renewable, decentralized and digital energy supply and the rules of the game in the new energy world.

### Date & Location Conferences

June 24, 2023, ICM, Messe München  
Intersolar Europe Conference  
ees Europe Conference  
Power2Drive Europe Conference  
EM-Power Europe Conference

### Visitors (expected)

1.800+ Attendees incl. Side Events

## SUMMARIZED

# Bundled Knowledge At Seven Forums

On all three days of the exhibition, the forums offer visitors a top-class program in which current topics, technologies and challenges are comprehensively examined and current approaches as well as solutions are presented and discussed.

**Intersolar Forum**

Hall A3, Booth A3.150

**ees Forum**

Hall C2, Booth C2.131

**Power2Drive Forum**

Hall B6, Booth B6.650

**EM-Power Forum**

Hall B5, Booth B5.630

**PV Manufacturing Stage**

Hall A2, Booth A2.409

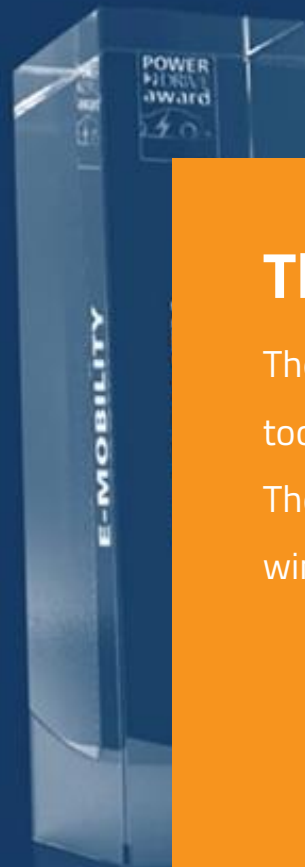

**Green Hydrogen Forum**

Hall B2, Booth B2.550

**Interbattery Showcase**

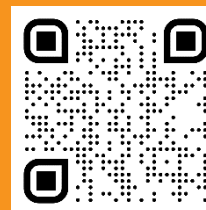

Hall C3, Booth C3.670

## The AWARD 2023

The prestigious AWARD ceremony took place yesterday on the eve of The smarter E Europe. Find here the winners 2023.

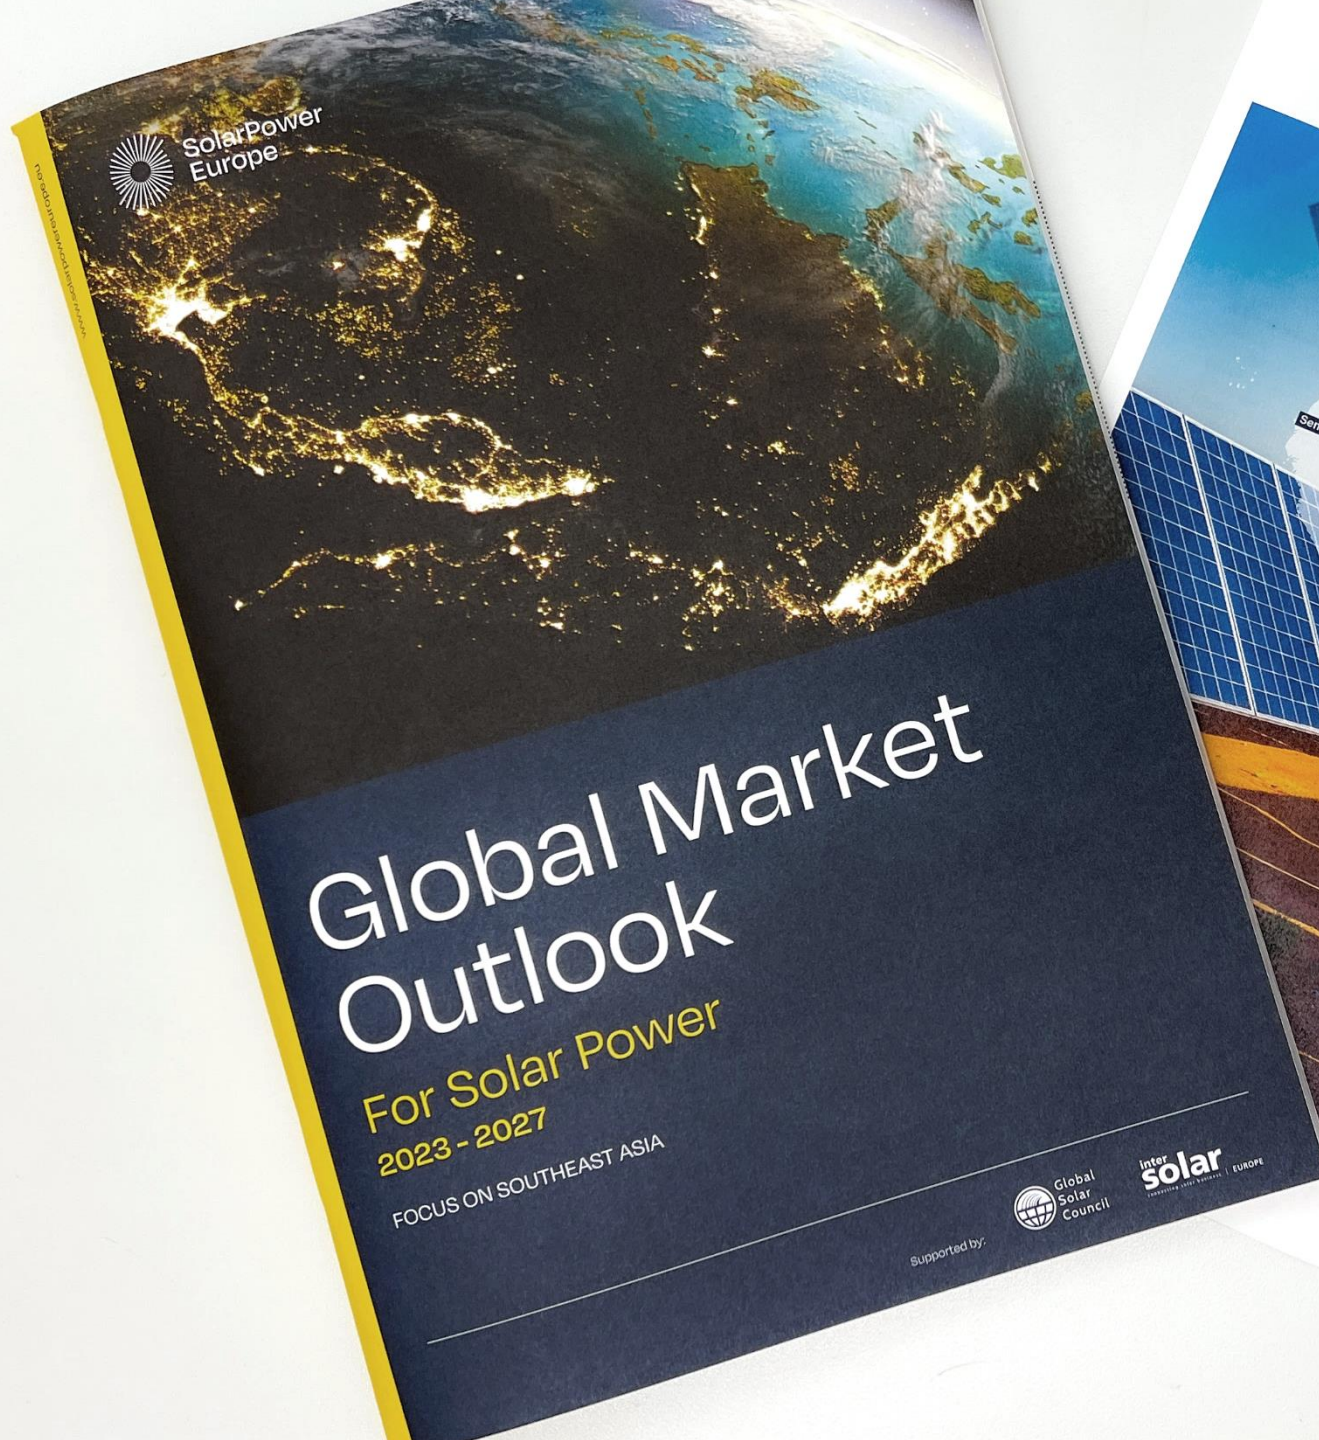

## **Energiewende**

### **Award 2022**

For the seventh time, the most innovative energy suppliers will be honored with the Energiewende Award on June 15 at 4:00 p.m. at the EM-Power Forum (Hall B5, Booth B5.650).

## Launch of New Industry Studies

The smarter E Europe acts as a platform for the publication of a wide range of industry studies, e.g. Global Market Outlook for Solar Power, Solarize Africa Market Report, Potentials of Large Scale Storage.
